BOOKINGS: <https://www.trybooking.com/CXMGK>

WORKSHOP OUTLINE

In this workshop, Vivi will demonstrate two step by step paintings, by blocking in with acrylics and finishing off with oils. Students will get the opportunity to work with Vivi, learning how to use these two mediums side by side.

Attention will be given to shape, form, tone, colour and edges.

A fun, interactive day to be enjoyed by all.

For the past three decades Vivi has focused on her painting, branching out into teaching and mentoring her own classes, both locally and overseas with en plein air workshops. She mentors and teaches watercolour, acrylic and oil painting classes. Vivi is also involved with running workshops and demonstrations with many art groups throughout Victoria. She has received many awards and can be followed through her Facebook, Instagram and website pages. Vivi's website: <https://www.vivipalegeorgeart.com.au>
